Shalom!

Another school year is over and we must say good-bye to a number of students and families that have been an important part of the EGLS family this year. Each member of our school family is important and when we lose a student whether to graduation, moving, or other reasons, as a faculty we always feel a sense of loss. The Lord has blessed EGLS with some wonderful, loving, caring students and some very committed families and for this we give Him thanks and praise. *The faculty/staff would like to thank all of our parents for their contribution to EGLS.* Your hard work and support are truly appreciated by the faculty and staff. Unfortunately this year we must also say farewell to a very important member of our staff Mrs. Peggy Langelin. Peggy has served faithfully at EGLS for the last 14 years and her love for the children and her servant's heart will be greatly missed. Finally we must also say good-bye to the graduating class of 2008-2009. A class that has grown and matured demonstrating Christian leadership, school spirit, and academic excellence. Five of the eleven students qualified for the honor roll all four quarters, received the President's Education Award for Excellence, and were honored by the Journal Sentinel as Student Achievers. We pray that they will continue to develop the gifts they have discovered her at EGLS as they move on to high school. More importantly we hope that they will take with them the love of Jesus Christ and the knowledge of salvation. God's Blessings!
